Here is why you need to be here ~

★ Educational Session / Roundtable ~

We have a panel of industry experts including a leading attorney (with RV Park experience) to discuss what you need to say and NOT say when dealing with government officials and regulatory agencies. Do you have a designated spokes person at your park? Have you had trespass, theft of service or eviction issues? Do health officials, TCEQ, the Railroad Commission, etc show up on your property unannounced? What is the best way to handle these situations? Come to this meeting and find out.

★ Network Makes All the Difference ~

We provide ample time to visit with your peers and find out what is working at their parks and how the future looks. Creative ideas are learned from those who proactively show up at these events.

We Will Also Be Discussing

- ★ 2011 Legislation Agenda
- ★ Plans for the 2011 Public Relations Campaign
- ★ All TACO marketing programs
